Welcome Inside!

This screen is where your scheduled jobs that you have been awarded and dispatched on will appear for easy tracking. It is the first screen you will see upon sign in and keeps you up to date with where you should be.

Main Menu

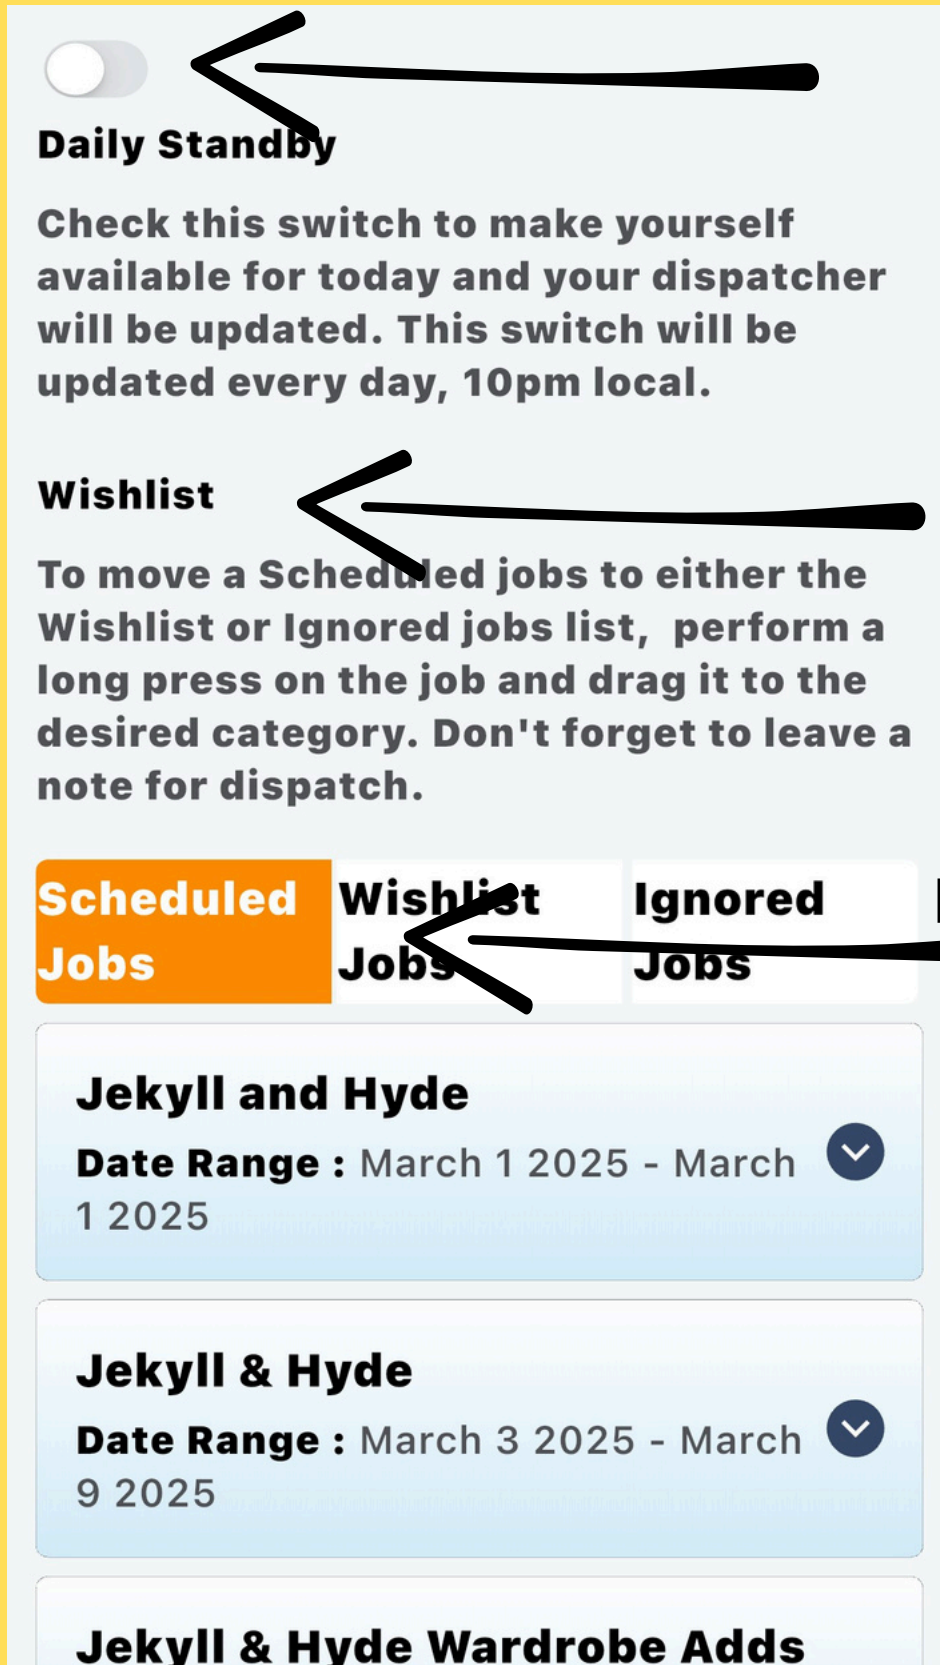

add your photo

your name here

fill out your profile
and skill set

click here to see
available work

Jobs and Wishlist

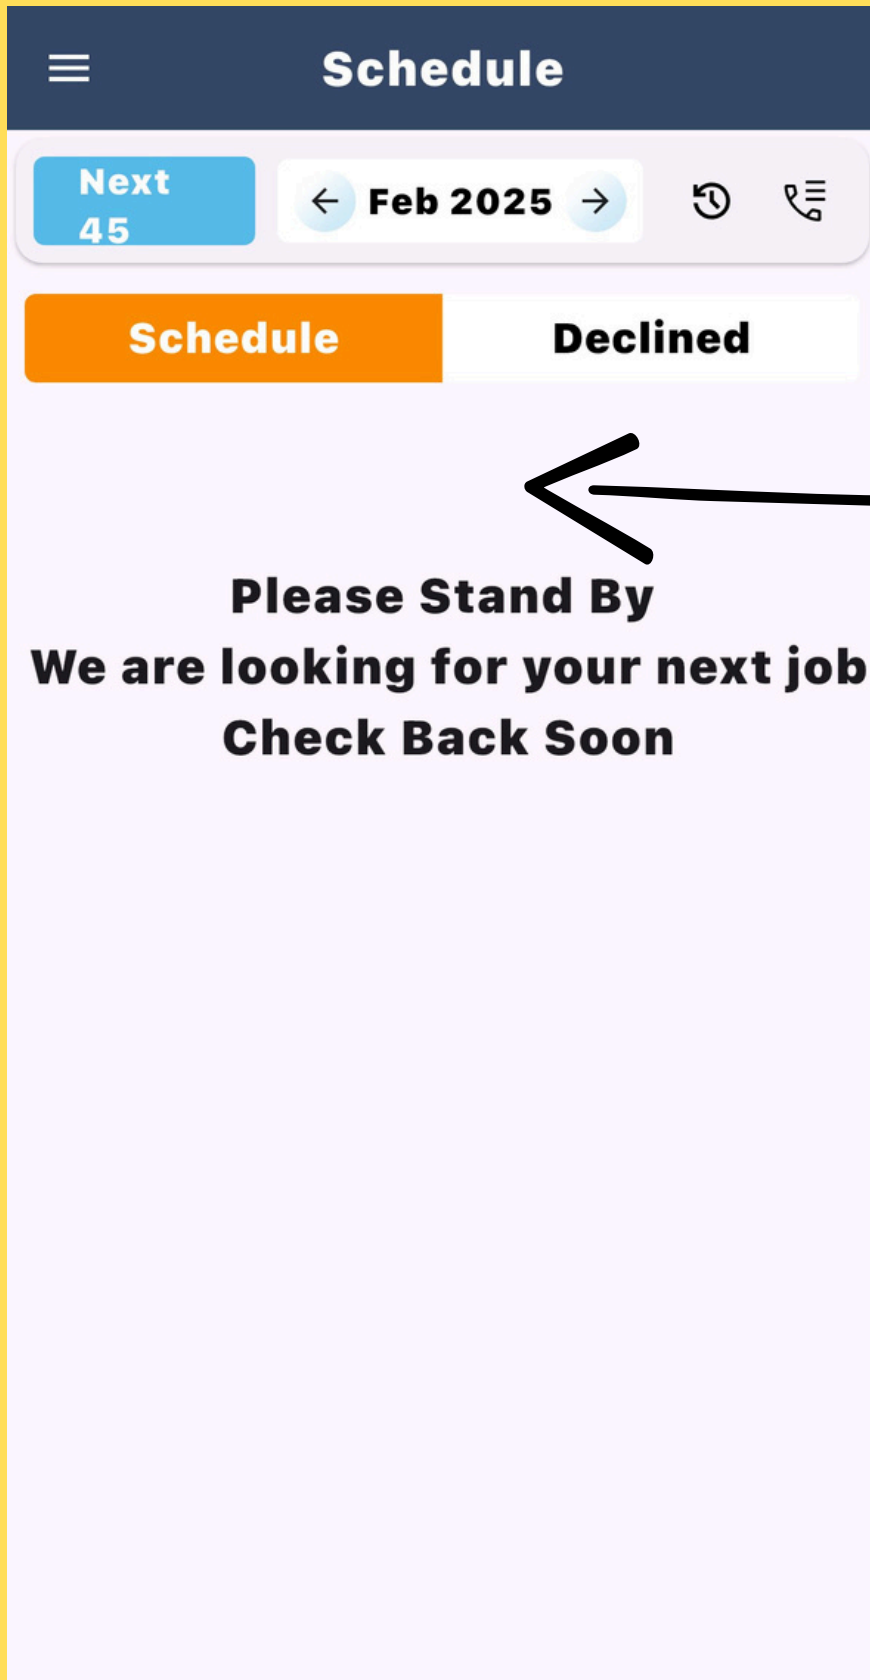

click this to be on
the daily stand
by list

read this
instruction

highlite “scheduled
jobs”

If you see a job
you would like
simply hold your
finger on it then
move it over
“wishlist” to be
added to the que

That was easy !

This first screen will populate with the calls from your wishlist that you have been accepted on based upon your seniority and skill set seniority

Check in often and use your daily stand by when you are looking for work.

Browse around the app and learn the features. You can put in days you are away or on vacation etc. This app is meant to bring clarity and transparency to the way we dispatch calls.
